Dear Participants:

It is my pleasure to welcome you to the Salt Lake Community College Student Philosophy Conference in the beautiful Grand Theatre of the South City Campus. I can assure you that your experience attending this Conference: "The Legacy of Friedrich Nietzsche: The Integration of Philosophy and Art" under the direction of Associate Professor of Philosophy, Dr. Alexander Izrailevsky, will provide you with intellectual and cultural nourishment. Of particular interest is the focus on the innovative concept of the "Balletization" of the Western Culture regarding the intellectual and cultural affinity between the conceptions of art in F. Nietzsche, R. Wagner and I Stravinsky.

As Mayor of Salt Lake County, I personally welcome each and every one of you and hope that you will enjoy this unique opportunity to learn. I am pleased to be a part of this Philosophy Conference in our community.

Sincerely,

Peter M. Corroon
